For licenses that are cancelled or revoked during the course of a fiscal year ~~[but prior to the calculation of the deductible for that fiscal year]~~, the prior year's deductible (prorated) will be used.

(b) The deductible will be calculated through the following formula:

- (1) Calculation of additional fees required for the next fiscal year.

 - BUD = Budget as submitted to Council for the next fiscal year

Basic Formula: $BFB + LRF + ALF + MR - BUD = EFB$

$ALF = EFB + BUD - BFB - LRF - MR$

(2) Calculation of the deductible.

The prior year's gross liquor sales of each licensee will be entered into a database. The gross liquor sales will be analyzed and based on the assessment rate of the respective class and additional license fees required (ALF), the deductible for the fiscal year will be calculated. The calculated deductible will be rounded to the nearest thousands of dollars.
